AND EXTERNAL TILES

READY TO USE

FC TILESMART TECHNICAL DATA SHEET

DEC 2022

EASY CLEANING

FAST ACTING

CLEANS DIRT &
REMOVES STAIN

**TRUSTED BY
THE BEST**

FC TILESMART AC IS AN ACIDIC BASED HEAVY DUTY CLEANER SPECIALLY DESIGNED FOR THE CLEANING OF DIRT, STAINS, GROUT AND CEMENT RESIDUE FROM THE TILE SURFACES. IT IS DESIGNED FOR DAILY MAINTENANCE OF TILES.

FEATURES AND BENEFITS

1. Easy cleaning
2. Ready to Use
3. Fast acting
4. Ideal for Interior & Exterior tile surfaces
5. Cleans dirt and removes stains

WORKS BEST ON

1. Ceramic Tiles
2. Vitrified Tiles
3. Porcelain Tiles
4. Glass Tiles
5. Glass Mosaic Tiles

APPLICATION PROCEDURE

Pour FC Tilesmart AC on the surface which is need to be cleaned. Allow it to react with the stain/salt depositions for 2-3 minutes
Rub it with scrub pad on the surface and add some more FC Tilesmart AC to the surface if it feels dry. Rinse the surface with the water and repeat the procedure if needed.

For Stains and Slat Depositions:

Mixing: Shake well for 1 minute before use

- For general purpose cleaning dilute it with water based on the necessity
- For stain and strong salt depositions use in concentrated form only proper bonding. Make sure that the line and level is maintained.

TEST PARAMETER	RESULT
Appearance	Pale Yellow
pH	2-3
Specific Gravity	1.02

Coverage

Coverage will depend on the substrate porosity and intensity of stains on the surface.

Packing Size

0.5 L/1L

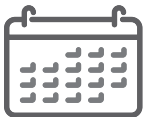

LIMITATIONS

All type of tiles, should be non-absorbent surface.

CLEANING

Rinse with the water and repeat procedure if it is required.

SHELF LIFE

12 months from the date of manufacturing in the original unopened manufacturer's packaging.
